

MD. MOHIDUL ISLAM

Gazipur, Dhaka | 01518974449 | islamohidul856mi647360@gmail.com |

Aspiring and enthusiastic programmer with a strong foundation in C++, Python and software development. Passionate about coding, problem-solving, and building practical applications. Gained hands-on experience by developing multiple projects, including restaurant management, school systems, and banking applications. Always eager to learn new technologies and enhance programming skills to contribute effectively to innovative projects.

EXPERIENCE

FEB 2025-
APRIL 2025

LEARNER

Simple Calculator (C++) – Developed a basic calculator that performs arithmetic operations.

Restaurant Management (Python and OOP) – Developed a basic restaurant management system using Python and OOP concepts.

Banking (Python and OOP) – Developed a banking management system using Python and OOP concepts.

Restaurant Website (HTML, CSS) – Developed a website that performs to show the menu and take order from the customers.

Algorithm Challenges – Solved various algorithmic problems to strengthen logic and coding skills.

EDUCATION

OCT 2024-
PRESENT

BSC IN MECHANICAL ENGINEERING

Chittagong University of Engineering and Technology, CUET .

SKILLS

- C, C++, Python, HTML, CSS, JS
- CAD, Solid-works
- Analytical and Mathematical skills

ACTIVITIES

Active member in American Society of Mechanical Engineering (ASME), CUET
